

PBH Asset receives Maintenance Contract for Pan Borneo Highway Sarawak

Our PBH Asset Management Sdn Bhd has been awarded a contract for maintenance works along 829km of the Pan Borneo Highway Sarawak from Telok Melano to Miri.

The presentation of the Surat Setuju Terima (SST) by the Federal Minister of Works to PBH Asset Management was held today in Kuala Lumpur.

The contract for **Routine, Periodic and Emergency maintenance works, which runs for 3 years**, will see highway lengths progressively handed-over to PBH Asset Management.

Speaking at the contract award ceremony, **Minister of Works Dato' Sri Alexander Nanta Linggi** outlined his aspiration that the maintenance works be carried out with the specified quality, time and cost, in order to meet the expectations of the Ministry for the overall benefit of the public and road-users. JKR Sarawak has been appointed as the Ministry of Works' strategic partner to oversee operation and implementation of the maintenance works along Pan Borneo Highway Sarawak.
