

# Project Management Professional (PMP)

MYR 3200

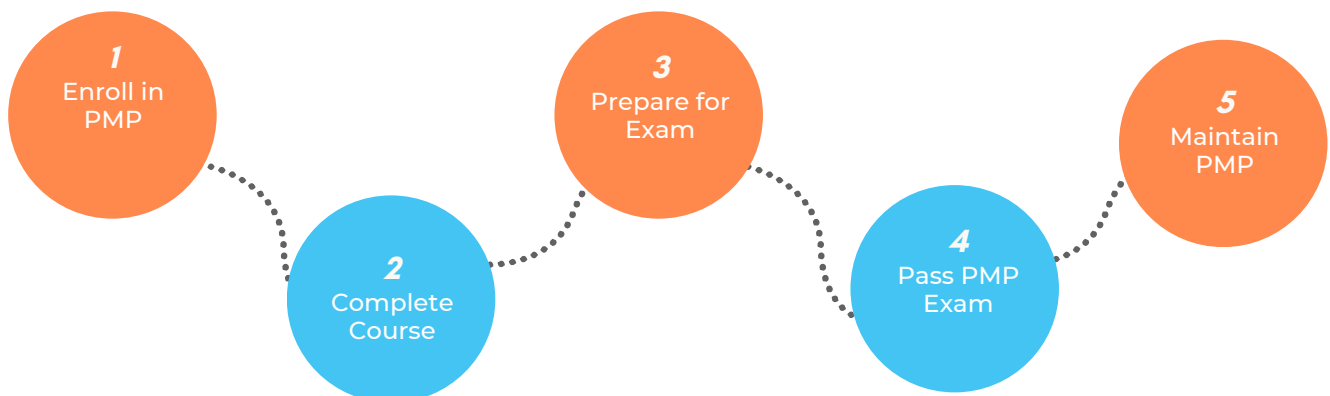

A Gold Standard in Project Management

## PMP CERTIFICATION OVERVIEW

The Project Management Professional (PMP)® is the most important industry-recognized certification for project managers. You can find PMPs leading projects in nearly every country and, unlike other certifications that focus on a particular geography or domain, the PMP® is truly global. As a PMP®, you can work in virtually any industry, with any methodology, and in any location. The PMP signifies that you speak and understand the global language of project management and connects you to a community of professionals, organizations and experts worldwide. Become a PMP and become a project hero.

## CERTIFICATION JOURNEY

## WHO WILL BENEFIT FROM THIS COURSE

This certification is for anyone with experience in Project Management and who wants a detailed understanding of project lifecycles, approaches, and best practices. Project Managers from any discipline can get a PMP certification including:
