

For Maltimur, our Amanah Sustainability drives us to do good today for a better tomorrow.

MALTIMUR *Amanah* SUSTAINABILITY

At Maltimur, ensuring sustainability of our business and the community around us is a responsibility entrusted upon us to meet the needs of the present without compromising the needs of future generations. For Maltimur, our Amanah Sustainability drives us to do good today for a better tomorrow.

Sustainability in our Projects

- **Pan Borneo Highway Sarawak**

Longer bridge over Sungai Samunsan, Lundu to enable safe animal crossings below.

- **Northern Coastal Highway**
Viaduct at Bukit Mas, Limbang to protect flora & fauna, and reduce cutting of the slope during construction.

- **Sarawak-Sabah Link Road Fasa 2**

Attain 'Penarafan Hijau JKR' (pH JKR) sustainable development rating for SSLR2 project.

- **Digitalisation through Building Information Modelling (BIM)** to optimise asset lifecycle management & project performance.

Sustainability at our Workplace

- Training on Sustainability, ESG
- Dedicated teams for Environmental, Social & Governance (ESG) compliance & implementation
- Promoting a Work-Life Balance

Training on ESG Impacts, Kuching, January 2024

Maltimur Ikuar Integriti Korporat, Maltimur Townhall, 23 February 2024

Regular football friendly matches with clients builds stakeholder relationships

Our people are our greatest asset

Growing Sarawak's professional project managers pool.

Majlis Ibadah Qurban at Masjid Bakti Nur Islam, Kuching, 17 June 2024

Sustainability of our Communities

- Capacity-building of Sarawak talents in project management by ALiM Academy through free CAPM programmes for university students.

- Providing opportunities for Professional Training and Education for Growing Entrepreneurs (Protégé) through exposure in the infrastructure sector.
